VERSATILE DEVELOPER

Versatile and Ambitious Web Developer An enthusiastic web developer with a strong foundation in HTML, CSS, JavaScript, and TypeScript, I bring creativity and analytical skills to every project. Currently enhancing my technical capabilities through an advanced IT course, I am eager to apply my knowledge in real-world settings.

I am quick to adapt, love learning new technologies, and thrive in collaborative environments. My focus is on delivering user-friendly, responsive web designs that combine aesthetic appeal with optimal performance.

Experience

2023-2024 FRONTED WEB DEVELOPER

PERSONAL PROJECTS & ONLINE LEARNING

Focused on mastering HTML, CSS, JavaScript, and web technologies through personal projects. Continuously enhancing skills by participating in coding challenges and online communities.

2021-2024 BACKEND DEVELOPMENT

BUILDING ROBUST PROJECTS

Skilled in developing backend solutions using Node.js and Next.js, ensuring efficient data handling and seamless user interactions. I focus on creating scalable architectures that enhance application performance and reliability.

2022-2024
UI/UX DESIGNER

DESIGNING INTUITIVE USER EXPERIENCES

Passionate about creating user-centric designs that enhance usability and accessibility. I employ design thinking principles to develop interfaces that provide an engaging and efficient experience for users across various platforms.
